

TRAFFIC MANAGEMENT OPERATIONS COMMITTEE
Lee County Metropolitan Planning Organization
Wednesday, September 14, 2022
Green Room, City of Cape Coral Public Works Building
815 Nicholas Parkway East, Cape Coral, FL 33990

10:00 a.m.

AGENDA

1. Call to Order
2. Roll Call/Introductions
3. Public Comments on Items on the Agenda
4. Approval of July 13, 2022 Meeting Minutes
5. Lee County Port Authority Presentation (Ian Sikonia)
6. Recommendation from RSA Conducted on San Carlos Boulevard from Linda Loma to Kelly Road (Keith Robbins)
7. Analysis of High Crash Corridors in Lee County (Keith Robbins)
8. Village of Estero Project Update (David Willems)
9. Carbon Reduction Priorities (Ron Gogoi)
10. Local Agency/FDOT/MPO Updates
11. Public and Member Comments on Items not on the agenda
12. Announcements
13. Topics for next meeting
14. Information and Distribution Items

Adjournment

Public participation is solicited without regard to race, color, national origin, sex, age, disability, religion, or family status. Persons who require special accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should contact Calandra Barraco with the Lee County MPO at 239-330-2243 or by email at cbarraco@leempo.com at least seven (7) days prior to the meeting. If you are hearing or speech impaired call (800) 955-8770 Voice / (800) 955-8771 TDD. The MPO's planning process is conducted in accordance with Title VI of the Civil Rights Act of 1964 and related statutes. Any person or beneficiary who believes they have been discriminated against because of race, color, national origin, sex, age, disability, religion, or familial status may file a complaint with the Lee County MPO Title VI Coordinator, Calandra Barraco, at 239-330-2243, or in writing at P.O. Box 150045, Cape Coral, Florida 33915-0045.

TRAFFIC MANAGEMENT OPERATIONS COMMITTEE

Lee County Metropolitan Planning Organization

Wednesday, July 13, 2022, 10:00 a.m.

Fort Myers Collaboratory

2031 Jackson Street,

Fort Myers, FL 33901

Meeting Minutes

Agenda Item #1 - Call to Order

In the absence of Chair Jay Anderson, Vice-Chair Carl Karakos chaired the TMOC meeting. Mr. Carl Karakos called the meeting to order at approximately 10:00 a.m.

Agenda Item #2 - Roll Call/Introductions

The committee members introduced themselves. Roll was recorded by MPO staff. There was a quorum.

Members Present

Carl Karakos	City of Fort Myers
Doug Higgins	Lee County Public Safety Emergency Medical Services
Ian Sikonia	Lee County Port Authority
James Lear	Cape Coral Police Department
Jillian Scholler	Lee County DOT
Mike Cook	Lehigh Acres Municipal Services Improvement District
Rick Anglickis	Lee County MPO Citizen Advisory Committee
Sandra Tapfumaneyi	Lee County Public Safety Emergency Management
Scott Philips	Collier MPO
Teresa Lewis	Lee County MPO Bicycle Pedestrian Coordinating Committee

Others in attendance included: Ron Gogoi and Don Scott with the Lee County MPO; Syndi Bultman with Lee Health; Gordon Mullen with RK&K; and Victoria Peters and Steven Davis with FDOT.

Agenda Item #3 - Public Comments on Items on the Agenda

There were no public comments on items on the agenda.

Agenda Item #4 – Approval of March 9, 2022 Meeting Minutes

Mr. Mike Cook made the motion to approve the March 9, 2022 Meeting Minutes. Mr. Scott Philips seconded the motion. There were no objections, and the motion passed unanimously.

Agenda Item #5 - LCDOT Project Update

Ms. Jillian Schiller with Lee County Department of Transportation (LCDOT) provided a Power Point presentation that included slides with information on the Lee County Advanced Traffic Management System (ATMS) Phase III, Lee County ATMS history, overview of Phase III, signalized intersection upgrades, signalized intersection list, closed caption television (CCTV) cameras, CCTV camera list, arterial dynamic message signs, fiberoptic communication, and cost estimate. The presentation slides may be viewed here: [ATMS Presentation](#) The committee briefly discussed type of project, funding, capacity of county to manage project, technology upgrades, goal of CCTV cameras, data collection from CCTV, height requirements for detection cameras, integrating with dispatch system of emergency

management for signal preemption, and fiberoptic network. Ms. Schiller also presented information on findings/solutions to westbound traffic backups caused by left turn queues at the Daniels/Treeline Intersection. The committee discussed U-turn movements in the area, possible signage to indicate U-turns, U-turns near Corkscrew on Ben Hill Griffin, long term projects that will ease traffic at Daniels/Treeline intersection, origin and destination of trips, difficulty with extending left turn lane considering lack of right-of-way, funding constraints, prioritization and funding considerations for other projects across Lee County, FDOT maintenance and control of roadway at Daniels/Treeline, traffic backups across Lee County, inflation and project cost increases, and in-house design cost savings.

Agenda Item #6 - Traffic Crash Associated Medical Costs at Trauma Center

Ms. Syndi Bultman with Lee Health Trauma Services provided a Power Point presentation that included slides with information on Lee Health Trauma Center mission and vision, difference between emergency department and trauma center, trauma system definition, national traffic crash data, national key findings, Dangerous by Design 2021, comparison of counties of injury, injury admissions for current fiscal year, MPO sourced data on injuries and fatalities, injuries and fatalities related to drinking/distracted/drugs, historical trauma data, red light/failure to yield data, Florida crash related cost estimates, and national data. Her presentation can be viewed here: [Lee Health Presentation](#). The committee discussed the age range of those involved in crashes, differences between Collier County versus Lee County, seasonal differences with regard to traffic/crashes, vehicle miles travelled impact, motorcycle crashes, influence of alcohol on crashes, need for all road users to be attentive, example of other countries in Europe, involvement of law enforcement, example of other state, increasing penalties, involvement of legislation, use of data, road design, education, MPO grant to use public service announcements from local high school students, and new Dangerous by Design report.

Agenda Item #7 - Hurricane Evacuation Challenges

Ms. Sandra Tapfumaneyi with Lee County Division of Public Safety Emergency Management Program provided a Power Point presentation on Hurricane Evacuation Challenges. Her slides covered hurricane/tropical storm frequency data, evacuation authority information, planning for evacuations, elements of evacuation planning, southwest Florida evacuations, reasons for evacuations, examples of past hurricane storm surges, Hurricane Irma facts, evacuation zones in Lee County, LeeTran emergency evacuation bus routes, state/regional evacuation studies, evacuation decision making tools, southwest Florida (SWFL) regional evacuation guide, and notification and alert systems. Her presentation can be viewed here: [Evacuation Presentation](#). The committee discussed possible changes to evacuation zones, electric vehicle considerations for evacuation, lack of gas during evacuations, and storm surge after Irma.

Agenda Item #8 - Safe Streets for All Discretionary Grant Opportunity Update

Mr. Don Scott provided an update on the Safe Streets for All (SS4A) Discretionary Grant Opportunity Program. The Power Point presentation included slides with information on the SS4A program, eligibility, funding, definition of comprehensive safety action plan, action plan process, application choice pathway, examples of supplemental action plan activities, implementation grants, legislative selection considerations, joint applications, and unique entity identifiers. His entire presentation can be accessed here: [SS4A Presentation](#). The committee discussed submission, performance measures, time frames, data driven grant application process, application deadline, high crash corridors, input from FDOT Safety Office, and local funding match.

Agenda Item #9 - Old US 41 PD&E Study Presentation

Ms. Victoria Peters introduced Mr. Gordon Mullen with RK&K, FDOT's consultant for the Old US 41 PD&E Study project, to present this agenda item. Mr. Mullen presentation included slides with

information on project phases, safety message, project goals/need, alternatives, new quadrant roadway, new traffic signals, U-turn pavement bulb outs, major intersections, evaluation matrix, project timeline, public workshop, comment topics, next steps, and contact information. The presentation can be viewed here: [US 41 PD&E Presentation](#) The committee discussed differences in standards and configuration in Lee and Collier County, design guidelines, developer involvement, continuity in design, right-of-way availability in each county, and evaluation of alternatives based on discussions with Spanish Wells residents.

Agenda Item #10 - Lee MPO Adopted Priorities Report

Mr. Gogoi provided a quick report on the 2022 Priorities that were adopted by the Lee MPO Board at its June meeting. The presentation included slides covering Federal and State Fund Priorities table, TA and SU Multimodal Priorities table, and Joint TRIP priorities tables. His presentation can be accessed here: [Adopted Priorities Presentation](#) The committee briefly discussed the work program release.

Agenda Item #11 - Local Agency/FDOT/MPO Updates

Ms. Peters mentioned mobility week and said she would provide information as it becomes available. She also mentioned the work program cycle and possible release near the end of the year. Ms. Peters announced a second public meeting regarding safety improvements to McGregor Boulevard from Cypress Lake Boulevard to Edinburgh Drive.

Agenda Item #11 - Public and Member Comments on Items not on the Agenda

There were no public or member comments on items not on the agenda.

Agenda Item #12 – Announcements

There were no announcements.

Agenda Item #13 - Topics for next meeting

The topics suggested for next meeting included presentations from the Lee County Port Authority, FDOT Safety Office, and Village of Estero.

Agenda Item #14 - Information and Distribution Items

There were no information and distribution items.

The meeting was adjourned at approximately 12:00 p.m.

An audio recording of the meeting can be accessed at the following link: [July 13, 2022 TMOG](#)

Public participation is solicited without regard to race, color, national origin, sex, age, disability, religion, or family status. Persons who require special accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should contact Calandra Barraco with the Lee County MPO at 239-330-2243 or by email at cbarraco@leempo.com at least seven (7) days prior to the meeting. If you are hearing or speech impaired call (800) 955-8770 Voice / (800) 955-8771 TDD. The MPO's planning process is conducted in accordance with Title VI of the Civil Rights Act of 1964 and related statutes. Any person or beneficiary who believes they have been discriminated against because of race, color, national origin, sex, age, disability, religion, or familial status may file a complaint with the Lee County MPO Title VI Coordinator, Calandra Barraco, at 239-330-2243, or in writing at P.O. Box 150045, Cape Coral, Florida 33915-0045.

LEE COUNTY PORT AUTHORITY PRESENTATION

At the September 14th TMOc meeting, TMOc member and Airport Planner Ian Sikonia will provide a presentation on the latest Lee County Port Authority activities. The presentation may cover ongoing and upcoming air side and landside projects, update commercial developments in airport properties, airport growth covering RSW and Page Field Airports, latest enplanement numbers in RSW and how they now stack up against 2019 and 2020 numbers.

RECOMMENDATION FROM RSA CONDUCTED ON SAN CARLOS BOULEVARD FROM LINDA LOMA TO KELLY ROAD

FDOT's Adopted Work Program (WP) and the Lee MPO's Transportation Improvement Program (TIP) includes a median modification safety project on San Carlos Boulevard from Linda Loma Drive to Kelly Road. The design phase is underway and the construction phase is funded in FY 2025. As a precursor to this project FDOT completed a Road Safety Audit (RSA) of this segment and has come up with recommendations that will be implemented during construction of the median modification project. District 1 Safety Administrator Keith Robbins and other members of the FDOT Safety Office will be at the meeting to present the RSA recommendations.

ANALYSIS OF HIGH CRASH CORRIDORS IN LEE COUNTY

District 1 Safety Administrator Keith Robbins and other members of the FDOT Safety Office will be at the September 14th TMOC meeting to present the top high crash corridors in Lee County. The presentation will cover the following topics:

- Highway corridors and intersections in Lee County with the highest number of fatalities and severe injuries
 - Provide crash data (fatalities and severe injuries) for those corridors/intersections by either emphasis areas, or simply by all crashes, pedestrian and bicyclist crashes.
- Any persistent factor(s) at those locations that the analysis may have unearthed as contributing causes for the severe crashes (is it because of high risk road features or structural issues in the pavement, lack of specific safety needs of road users, etc.).
- Any planned or funded push button improvements (that are not in the Adopted Work Program) to address safety in any of those corridors, and/or new safety projects that are being considered in the Draft Tentative Work Program (FY 2024 – FY 2028).
- Recent changes in the Florida Design Manual that may change the way FDOT undertakes safety projects.

VILLAGE OF ESTERO PROJECT UPDATE

The Village of Estero has successfully applied for legislative earmarks this fiscal year involving two projects that are some of the highest priorities for the community. They include the Sandy Lane and Broadway East Bike/Ped Improvements and Estero on the River. TMOC member and Village Public Works Director David Willems will provide a presentation at the September 14th TMOC meeting.

CARBON REDUCTION PROGRAM PRIORITIES

INFORMATION ITEM:

The Bipartisan Infrastructure Law (BIL) established the Carbon Reduction Program (CRP) which provides funds for projects designed to reduce transportation emissions, defined as CO2 emissions from on-road highway sources. A portion of the total funds apportioned to a state are suballocated to urbanized areas with populations greater than 200,000 and urbanized areas with population 50,000 to 200,000.

For FY 2022, the suballocation of CRP funds for the Cape Coral urbanized area is \$1,128,685. The FY 2022 funds will most likely be available for programming projects in FY 2024, the first year of FDOT's new Work Program for the period covering FY 2024 through FY 2028. Funds may be also available for programming projects in the subsequent years of this work program which is currently under development.

Eligible projects for CRP funds include bicycle pedestrian facilities, micromobility, public transportation, congestion management technologies, etc. and they must be identified in an MPO's Transportation Plan. That makes most of the bicycle pedestrian projects in the Lee MPO's Adopted Multimodal Box Fund Priorities eligible for CRP funds. The recommended priorities (shown in **Attachment A**) have been recommended for MPO Board approval by both the MPO's Technical Advisory Committee and the Citizen Advisory Committee. Priorities have been assigned consistent with their priority order from the adopted Multimodal Box Fund Priority list.

CRP RECOMMENDED PRIORITIES
TAC/CAC September 1, 2022

Applicant	Project	Limits	Length (Mile)	Proposed Improvements	Phase Completed/Under Way/Programmed	Next Phase	Requested Funds	Local Match	2022 Priority
MPO	US 41 Sidewalk	Tara Blvd to Charlotte Cty Line	3.02	SW (West Side)	NA	CST	\$ 912,549	\$ 0	1
FM	Winkler Ave Bike Lanes	Colonial Blvd to Six Mile Cypress Pkwy	1.3	Bike Lanes	NA	CST	\$ 640,510	CEI: \$131,202	2
FM	Carrell Canal Shared Use Path	Carrell Canal Crossing & Carrell Ave from US 41 to JYLP Ext.	1.0	Shared use path	Partially Programmed	CST	\$ 512,687	CEI: \$102,538	3
FM	Challenger Ave Bike Lanes	Challenger from Colonial to Six Mile	1.0	Bike Lanes	NA	CST	\$ 558,714	CEI: \$114,843	4
LCBOCC	Daniels Pkwy Shared Use Path	Corporate Lakes Dr to SR 82	1.1	Shared use path (notth side)	NA	PE	\$ 161,810	\$ 0	5
Estero	Coconut Rd Sidewalk	Via Coconut to US 41	0.3	Sidewalk (North Side)		PE	\$ 190,000	\$ 0	6
BS	East Terry St Shared Use Path	Palm Bay Ct to Southern Pines Dr	0.2	Shared Use Path (North Side) and Bike Lanes	NA	CST Phase 1	\$ 365,178	\$ 0	7
		Southern Pines Drive to I 75		SUP (West Side)	NA	CST Phase 2	\$ 1,403,844	\$ 0	
CC	SE 24th Ave Sidewalk	Viscaya to SE 15th Terrace	0.8	Sidewalk (East Side)	NA	CST	\$ 383,689	\$ 0	8
CC	Garden Blvd Sidewalk	DeNavarra to NE 33rd St	0.72	Sidewalk (East Side)	NA	CST	\$ 282,727	\$ 0	9
CC	Andalusia Blvd Sidewalk	Diplomat to Kismet	0.95	Sidewalk (Both Sides)	NA	CST	\$ 773,099	CEI: \$154,620	10
Estero	Corkscrew Rd Shared Use Path	US 41 to Park Entrance	0.24	SUP (North Side)	NA	PE	\$ 185,000	\$ 0	11

NOTES:

To meet FDOT requirements, in the interim, for consideration of Carbon Reduction Program funds in FY 2023 of the Adopted Work Program, and/or in the Tentative Work Program for FY 2024 through FY 2028, the above Carbon Reduction Program eligible projects in the CRP Priority list are identified by reference to the Bike Ped Element of the 2045 Transportation Plan. These projects are specifically identified in Table 1-2: 2045 Bicycle Pedestrian Needs Plan and Table 1-4: 2045 Bicycle Pedestrian Cost Feasible Plan Projects.

For long term consistency requirements, the Lee MPO will amend its 2045 Transportation Plan to add a special chapter on the Carbon Reduction Program that will include a list of candidate projects for Lee MPO CRP fund priorities. All such priorities will be considered by FDOT for inclusion in the Tentative Work Programs.

INFORMATION AND DISTRIBUTION

- a. Notice of the SR 739 Edison Bridge to N. of SR 78 Improvements Project on September 15th from 5:00-7:00pm (virtual option is from 6:00-7:00 pm the same day).
- b. Notice of the SR 78 Corridor Vision Plan Workshop (In-person September 15th from 5:00-7:00pm and Virtual: September 22nd from 6:00-7:00pm).
- c. Regional Grant Information Sessions for discretionary grant opportunities created through BIL

PUBLIC MEETING

The Florida Department of Transportation (FDOT), District One, invites you to the State Road (SR) 739 from the Caloosahatchee River to North of SR 78 Public Meeting **on Thursday, September 15, 2022**. The in-person open house will begin at 5:00 p.m. The virtual meeting will begin at 6:00 p.m. For your convenience, FDOT is providing three ways to participate:

- 1. Virtual Option:** Attend virtually from 6:00 p.m. to 7:00 p.m. from a computer, tablet, or mobile device. You can register in advance at fdot.cc/SR739-CaloosahatcheeRiver-to-N-of-SR78. Once registered, attendees will receive a confirmation email containing information about joining the meeting online. Please note, Internet Explorer cannot be used to register or attend this webinar.
- 2. In-Person Option:** Attend in-person from 5:00 p.m. to 7:00 p.m. at **the North Fort Myers Park and Recreation Center, 2000 North Recreation Park Way, North Fort Myers, Florida**. Attendees who are not feeling well should not attend the in-person meeting.
- 3. Website:** View the materials online at swflroads.com/project/446293-1.

All meeting materials will be available online by September 8, 2022. You do not have to attend a live event in order to submit a comment. Comments can be submitted at the live meeting, through the website, or through the contact information provided on the other side of this notification. While comments about the project are accepted at any time, please send your comments by September 26, 2022, to be included in the formal public meeting record.

PROJECT OVERVIEW

FDOT, District One, is designing improvements to SR 739 from the Caloosahatchee River to north of SR 78 in Lee County. The project was requested by the FDOT District One Traffic Safety Department and is intended to improve safety, enhance traffic flow, and reduce crashes.

The project consists of milling and resurfacing of the roadway as well as constructing a continuous raised median with bi-directional and full median openings. Two pedestrian hybrid beacons will be provided south of Pondella Road and at Mariana Avenue. Additional improvements include upgrading the traffic signal at Pondella Road; providing upgrades in accordance with the Americans with Disabilities Act (ADA); and lighting, signing and pavement markings, and drainage improvements.

This meeting is being held to present project information and provide an opportunity for the public to offer feedback. FDOT will accept written comments during and after the meeting.

Register to Attend Virtually

Scan the QR Code shown here to register, and you will receive a confirmation email containing information about how to join the public meeting online.

FDOT solicits public participation without regard to race, color, national origin, age, sex, religion, disability or family status. People who require special accommodations under the Americans with Disabilities Act or who require translation services (free of charge) should contact Cynthia Sykes, District One Title VI Coordinator, at 863-519-2287, or email at Cynthia.Sykes@dot.state.fl.us at least seven days prior to the public meeting.

SR 739 from the Caloosahatchee River to North of SR 78

SR 78 CORRIDOR VISION PLAN IN-PERSON PUBLIC WORKSHOP

District: One

Meeting Type: Workshop

Date: Thursday, September 15, 2022

Time: 5:00 pm to 7:00 pm

Location Name: Cape Coral Technical College

Street Address: 360 Santa Barbara Boulevard N

City: Cape Coral, FL 33993

Purpose: The Florida Department of Transportation (FDOT) is hosting a public workshop for the SR 78 (Pine Island Road) Corridor Vision & Action Plan in Lee County. You can participate in the public workshop in-person or online. IN-PERSON OPTION: The in-person open house is scheduled for Thursday, September 15, 2022, at Cape Coral Technical College, 360 Santa Barbara Boulevard N, Cape Coral, FL 33993. The in-person workshop will be in an "open house" format and you can attend the event any time between 5 and 7 p.m. The purpose of this study is to help the City of Cape Coral and Lee County community develop a vision plan for the SR 78 (Pine Island Road) corridor to guide transportation and land use decisions over the next 50 years. The workshop is being held to solicit feedback from the community concerning their desires for the future of the corridor. The feedback gathered at the workshop will be used to inform the corridor vision planning process. All workshop materials will be available on the project website by September 14, 2022. A copy of these materials will also be displayed at the in-person workshop. You may choose any combination of the options provided to review the materials and to submit your comments. For more information on all options of the upcoming public workshop, please visit the project website or contact FDOT Project Manager, Vitor Suguri by phone at (239) 225-1959, or email at Vitor.Suguri@dot.state.fl.us. After reviewing the public workshop materials, and/or participating, you may submit comments in three different ways: 1) on the project website; 2) emailing the FDOT Project Manager, Vitor Suguri at vitor.suguri@dot.state.fl.us; or 3) mailing comments to Vitor Suguri, 10041 Daniels Parkway, Fort Myers, FL 33913. While comments about the project are accepted at any time, please note that comments must be received or postmarked by October 6, 2022, to be included in the project record. A summary of the workshop comments and responses will be available on the website approximately 30 days following the close of the comment period. FDOT solicits public participation without regard to race, color, national origin, age, sex, religion, disability, or family status. People who require special accommodations under the Americans with Disabilities Act or who require translation services (free of charge) should contact Cynthia Sykes, District One Title VI Coordinator, at (863) 519-2287, or email at Cynthia.Sykes@dot.state.fl.us at least seven days prior to the public workshop. The Florida Department of Transportation may adopt this planning product into the environmental review process, pursuant to Title 23 U.S.C. § 168(d)(4), or to the state project development process.

SR 78 CORRIDOR VISION PLAN VIRTUAL PUBLIC WORKSHOP

District: One

Meeting Type: Workshop

Date: Thursday, September 22, 2022

Time: 6:00 pm to 7:00 pm

Location Name: Project Website

Street Address: <https://www.swflroads.com/project/442083-1>

Directions: <https://www.swflroads.com/project/442083-1>

Purpose: The Florida Department of Transportation (FDOT) is hosting a public workshop for the SR 78 (Pine Island Road) Corridor Vision & Action Plan in Lee County. You can participate in the public workshop in-person or online. **LIVE ONLINE OPTION:** The online public workshop will be held on September 22, 2022. FDOT staff will present to the public and will host a live component from 6 to 7 p.m. that will be open to comments from the public. Attend online from a computer, tablet or mobile device. You can register in advance by visiting https://bit.ly/SR78_VisionPlan_PublicWorkshop. The live event can also be accessed online through the project website at <https://www.swflroads.com/project/442083-1>. Once registered, attendees will receive a confirmation email containing information about joining the workshop online. Please note that registration and attendance via the website links work best in the Google Chrome, Microsoft Edge, or Firefox web browser. Internet Explorer cannot be used to register or attend this GoTo Webinar. The purpose of this study is to help the City of Cape Coral and Lee County community develop a vision plan for the SR 78 (Pine Island Road) corridor to guide transportation and land use decisions over the next 50 years. The workshop is being held to solicit feedback from the community concerning their desires for the future of the corridor. The feedback gathered at the workshop will be used to inform the corridor vision planning process. All workshop materials will be available on the project website by September 14, 2022. A copy of these materials will also be displayed at the in-person workshop. You may choose any combination of the options provided to review the materials and to submit your comments. For more information on all options of the upcoming public workshop, please visit the project website or contact FDOT Project Manager, Vitor Suguri by phone at (239) 225-1959, or email at Vitor.Suguri@dot.state.fl.us. After reviewing the public workshop materials, and/or participating, you may submit comments in three different ways: 1) on the project website; 2) emailing the FDOT Project Manager, Vitor Suguri at vitor.Suguri@dot.state.fl.us; or 3) mailing comments to Vitor Suguri, 10041 Daniels Parkway, Fort Myers, FL 33913. While comments about the project are accepted at any time, please note that comments must be received or postmarked by October 6, 2022, to be included in the project record. A summary of the workshop comments and responses will be available on the website approximately 30 days following the close of the comment period. FDOT solicits public participation without regard to race, color, national origin, age, sex, religion, disability, or family status. People who require special accommodations under the Americans with Disabilities Act or who require translation services (free of charge) should contact Cynthia Sykes, District One Title VI Coordinator, at (863) 519-2287, or email at Cynthia.Sykes@dot.state.fl.us at least seven days prior to the public workshop. The Florida Department of Transportation may adopt this planning product into the environmental review process, pursuant to Title 23 U.S.C. § 168(d)(4), or to the state project development process.

Regional Grant Information Sessions

Florida Department of Transportation (FDOT) encourages eligible local agencies to apply for the many new discretionary grant opportunities created through the Bipartisan Infrastructure Law (BIL). As such, FDOT wants to ensure our local partners are prepared with the knowledge, data, and resources to apply for and be direct recipients of federal discretionary dollars.

Information sessions to cover:

- *Overview of the USDOT grant opportunities*
- *Regional improvements – working together*
- *What do you need to know – grant applications and implementation*
- *Collaborative discussions with FDOT District staff*
