

FDOT COMMUTE CONNECTOR UPDATE

INFORMATION ITEM: A presentation on FDOT Commute Connector Update will be provided at the June 10th TMOOC meeting

PRESENTER: Annie Arguello, Commute Connector Manager

[Commute Connector](#) is a program of the Florida Department of Transportation that encourages the use of alternative transportation options to improve shared mobility, expand access to jobs, and reduce traffic congestion. The program provides complimentary transportation resources and consulting services to organizations and commuters across southwestern Florida. The presentation will provide an update on the program's activities since its refresh in July 2019, as well as upcoming initiatives.
